

PRIVACY POLICY

Prism Group International is committed to demonstrating our firm commitment to your privacy. The following discloses our information gathering and dissemination practices for www.prismgroup.ca and www.prismgroupinternational.com.

We are committed to protecting your personal privacy. We understand that for you to take full advantage of the benefits of the services we offer, we must do what we can to ensure that your privacy is secure.

We do not disclose your communication to any other party.

We do not disclose any information given to us by you to other companies, entities or persons to any other party.

We will not share or sell your registration information (name, telephone number, mailing address, credit card information, etc.)

We choose our suppliers very carefully and will only deal with reputable vendors who also subscribe to generally accepted privacy standards.

We have built our reputation on trust, excellence and integrity and will continue to take all necessary precautions to protect the reputation we have earned.
